PRW 2019 Training Calendar

GENERAL TOPIC COURSES FOR LAW ENFORCEMENT

PRW--Mobile Surveillance Training for Investigators

A three-day course in mobile and foot surveillance tactics for investigators. Following vehicles and pedestrians in covert surveillance operations is a valuable skill. This course is a good primer for the new investigator and a sorely needed training concept where investigators are routinely rotated in/out of divisions. Learn the purpose of surveillance logs, chain of evidence, street techniques, tactics, teamwork, working in unknown environments and safety concerns. (24 hours) (\$350) (Student must provide vehicle with Proof of insurance) Feb 20th-22nd, Sept 25th-27th-North Denver Metro Area, May 13th-15th, 2019 Carlsbad, NM

PRW Tactical Scouting--a one day classroom course in pre-warrant raid planning for SWAT, patrol officers, detectives and supervisors. Preparing a detailed scout report and tactical briefing package, use of digital technologies, infrared and covert techniques. This class is a must for anyone involved in pre-raid planning. (\$150) Dates: Feb 14th, Jun 20th, Dec 12th Brighton CO

PRW Defensive Pistol II-A three day Pistol course to take your patrol handgun skills to the next level. The course includes close quarter combat skills, reaction timing, shot accountability and shooting with movement. We recommend this course to current patrol officers, SWAT candidates and patrol officers with the mindset to improve a critical street skill-set. (\$375) Apr 18th-20th Worland, WY, Oct 7-9th Nunn, CO

NEW COURSE FOR 2019- PRW Scoped Rifle for Patrol Instructor course April 1st-5th, 2019 Nunn, CO (\$625) Five day instructor course for scoped rifles deployment in patrol departments.

SWAT/TACTICAL TOPIC COURSES FOR 2018

PRW FieldCraft Clinic-A three day course in sniper fieldcraft. Students will receive a mil-spec ghillie suit kit with tuition and build their own. Students must provide base garment. Classroom and field exercises in an essential skill for police sniper survival. (\$525) Feb 11th-13th, May 1st-3rd, Jun 12th-14th, Oct 23rd-25th, Brighton CO

PRW-Advanced Sniper Scenarios- An advanced sniper school, consisting of three days of real-life based urban and rural scenarios which will test even the most veteran snipers and provide the skills in solving problems. This course includes use of force, legal issues, "when to shoot, not just how", fieldcraft, stalking, tracking, land-navigation, day/night ops and intelligence gathering. There will also be cold bore shots out to 500 yards.(40 Hours) (3.5 days) (\$875) Near Fairplay,CO APR 25th-28th, 2019, **Room and Board is included** in the tuition. Students stay at the training site 24/7. There is no better deal in the nation for an operational police sniper.

PRW Mil-dot and Range Estimation Clinic--An 8 hour course in Mil-dots, mil-radians,holds, range estimation and rangefinding with various tools. In the age of laser rangefinders, it's still good to have a fall back plan when the batteries go dead or the rain rolls in. Classroom and field exercises to improve your skills. We'll also cover laser rangefinders. This course is for police, military and civilian shooters who need the skills for work or competitions. Feb 15th, Jun 21st, Dec 13th, Brighton CO area.

PRW PRECISION RIFLE WORKSHOP --(Police Sniper Basic) Our "core" school is a five day, 50-hour course that will fulfill the requirements of a "basic police sniper school" with advanced material to include moving targets and shooting exercises out to 1000 yards (Sometimes dependent on range facilities, yardage may vary). Students must pass a written exam and shooting qualification. The "core" school is a pre-requisite for our advanced police sniper schools. This course is in high demand and fills quickly. 50 hours -five days--\$650

PRW Advanced PDA/PC Ballistics- Feb 26th, Jun 17th, Dec 9th, Brighton, CO A course for military, police snipers and civilian long range shooters in the use of computerized ballistic assistants for PC and PDA's typically used in extreme long range shooting. This course covers the typical use of software, downloads and the working knowledge required to use these advanced tools. (8 hours) (\$150)

This is PRW's 15th year of operation and we thank you for your continued support of quality training. We look forward to training with you. Please check in with the website monthly or call us for updates as course dates and locations sometimes change. We usually offer courses several times over a given year. Sometimes firewalls stop emails to and from us so if you don't hear in a couple days telephone us. To register for a course simply go to the PRW Store at PrecisionRifleWorkshop.com or call us at 1-877-860-9475.

Thank you, We're looking forward to a safe and eventful year!
